2007 May 06	• The Vatican has called a verbal attack on the Pope terrorism; "this, too, is terrorism.
	It's terrorism to launch attacks on the Church." [Showing perhaps that invoking
2005 4 20	'terrorism', like <i>patriotism</i> , is the last refuge of the scoundrel.]
2007 Apr 29	• Mexico City has decriminalized abortion "This is an act of revenge against the
	Catholic church", part of a wider trend throughout Latin America; "It's inevitable.
	The churches cannot escape the general process of democratization here." Abortion rights gain ground in Latin America.
