

**GLOBAL REALITY: THE WEEK IN REVIEW**

*Destabilizing Threats, Stabilizing Policies*

**Threat Summary**

	<p><b>Environment.</b> Japan threatens to quit Whaling Forum. Another indigenous leader murdered in Brazil.</p> <p><b>Inter-State Conflict.</b> SecDef gives poor speech in Asia. Second UK general sours on Iraq. Tribes!</p> <p><b>Proliferation.</b> US missile shield, has no basis in reality, reigniting the Cold War for arms profit.</p>
	<p><b>Poverty.</b> Malaysia and Indonesia get it: poverty, illiteracy core causes of Islamic instability.</p> <p><b>Infectious Disease.</b> Myanmar case study in fortress state as incubator for massive epidemics.</p> <p><b>Civil War.</b> In Somalia, foreign fighters from Britain, Sweden, and Pakistan killed. Zimbabwe boiling.</p> <p><b>Genocide.</b> Botswana mixes diamonds with cultural genocide. Sudan, Bosnia, Rwanda in headlines.</p> <p><b>Transnational Crime.</b> \$10B in interdiction achieves <i>nada</i>—could it be because USG is #1 smuggler?</p>
	<p><b>Other Atrocities.</b> Pfizer uses Nazi techniques, secret drug trials on unsuspecting African children.</p> <p><b>Terrorism.</b> JFK plot close to Black Muslims. TB makes debut as weapon of choice. Nigeria on brink.</p>

**Policy Summary**

	<p><b>Diplomacy.</b> CIA gets it right in 2002 on Iraq; Arab world favors democracy—something US has lost.</p> <p><b>Security.</b> Baghdad Embassy plans leaked on the web. Cuba best prepared for natural disasters.</p> <p><b>Society.</b> US ranks 96<sup>th</sup> in global peace index, neck and neck with Iran. Norway in first place.</p>
	<p><b>Education.</b> High schools today fail to meet needs of top and bottom fifths. SecEd is stark naked.</p> <p><b>Health.</b> Selfish stupid US lawyer carries resistant TB twice across the Atlantic, shows terrorists how.</p> <p><b>Immigration.</b> See daily links.</p> <p><b>Water.</b> Water scarcity, not climate change, is what will create millions more refugees.</p>
	<p><b>Agriculture.</b> Carbon footprint information could begin to impact on diets and agriculture.</p> <p><b>Economy.</b> Cheney plan working--\$100B more for the arms industry, never mind the dead troops.</p> <p><b>Energy.</b> Burundi using urban waste as urban fuel. Water emerging as a closed-cycle fuel option now.</p> <p><b>Family.</b> German Pope keeps sinking into the past, considering a return to the 16<sup>th</sup> century Latin mass.</p> <p><b>Justice.</b> Dick Cheney destroys all records of his guests—a real first in US ethics.</p>

**Major Player Summary**

	<p><b>Iran.</b> The covert war heats up at precisely the time sane diplomats would want to break bread together.</p>
	<p><b>Venezuela.</b> Chavez closed down the oldest TV network in Venezuela.</p>
	<p><b>Brazil.</b> Brazil subsidizing “the pill” by up to 90%, properly tells the German Pope to take a walk.</p> <p><b>China.</b> Getting Uzbekistan natural gas. Beats US in Africa. Objects to replacing Russia as “threat..”</p> <p><b>India.</b> Becomes 12<sup>th</sup> Trillion Dollar GDP nation. Green, yellow, red METRO channels. More clashes.</p> <p><b>Indonesia.</b> Muslim clerics questioning secular system inherited from Dutch. Malacca Strait \$7B pipe.</p> <p><b>Russia.</b> Low debt, high growth, Putin on a roll. But why is he taking US missiles in Europe seriously?</p> <p><b>Wild Cards.</b> SecDef Gates supports Turkey against Kurdish terrorists (the ones with UK MD quals).</p>

**Proliferation**

[news list|forecast](#)

↓ The US "**Missile Shield**" adventure seems, in one step, to have reinstated the **Cold War**; "**Russia** has not expressly targeted its **missiles** at Europe since the end of the Cold War but, asked if it would do this again if the U.S. missile shield plant went ahead, **Putin** said: 'Yes, naturally.'" -- [Putin warns he will point missiles at Europe: paper](#)

**Terrorism**

[news list|forecast](#)

↓ A mature plot, broken by an *informant*, to blow up **fuel tanks and pipeline** under **JFK Airport** seems unrelated to **al Qaeda** but to **Caribbean Islamists**. [Comment: The group that may be involved, **Trinidad's Jamaat-al-Muslimeen** is closer to **Malcolm 'X' Black Muslim** ideology. The event threatens the possibility of a new "front" with a new demographic disenchanted with the US.] **TB** already kills four people per minute every day; a new **highly drug-resistant strain/s** could be really dangerous if used as a weapon -- [New Strains of TB Can Be Used as a Powerful Bioterror Weapon](#).

*Is Libyan militant new face of al-Qaida?* -- "**Abu Yahya al-Libi** is now the most visible face of **al-Qaida**, surpassing even **Ayman al-Zawahiri** in actual video appearances." The **internet** continues to be a powerful tool for "terrorists" -- "*when we started this research we had around 12 terrorist Web sites. Now we have more than 5,000 Web sites.*" **Bin Laden's** mission of offering **al Qaeda** ["the Base"] as a resource for like-minded groups is working out well; "[ **al Qaeda**] has enabled the **Taliban** to develop from a **xenophobic, home-grown Islamist movement** into a more outward looking force that is helping to advance **al Qaeda's** global interests" -- [Taliban learns tactics, propaganda from al Qaeda](#). [Comment: The local zealots who defeated the **Russians** have now become globalized.]

An intense battle continues between the **Lebanese** military and a radical group **Fatah al-Islam** in a **Palestinian** refugee quarter in **Tripoli** [northern Lebanon]. Much is at stake in what many see as a sudden *new front* against **Salafic** [**Sunni**] extremism. **Kuwait News Agency** says "*the recently-surfaced group is reportedly a cocktail of Arab nationals, advocating Al-Qaeda thoughts.*" They say "*We are ready to blow up Beirut and every other place in Lebanon*" -- [Lebanon gunmen dig in for 'two-year battle'](#).
